

Baseline Photograph

Wireframe Model (N.B. Visible towers are shown in red; towers hidden by landform or vegetation are shown in blue.)

Photomontage (N.B. Visible towers have been labelled on the photomontage. All other towers are screened by landform or vegetation.)

\*Distances to towers are approximate and may not be the closest tower within the view represented by the photomontage, i.e. the closest tower may in fact be behind the viewer in some cases.
