Dear Raymond

**SONI Grid Code Modification Proposal: Metering Code – Advanced Meter Reconciliation Process**

I refer to your correspondence to the Utility Regulator of 15<sup>th</sup> March 2017, seeking approval of a modification to the SONI Grid Code, Meter Code. This followed the consultation published on the 3<sup>rd</sup> February, as recommended at Grid Code Review Panel Meeting on 31<sup>st</sup> January 2017 (following initial discussions at 11<sup>th</sup> October Grid Code Review Panel Meeting).

We note that the queries relating to the relevant legislation requirements were included following direct engagement with the Regulatory Authority member.

Having reviewed the modification proposal and the supporting documentation the Utility Regulator is satisfied that SONI has recommended this modification for approval in accordance with the relevant provisions set out in the Grid Code.

The Utility Regulator hereby approves this modification in the form presented and this modification shall be deemed effective from the date of this approval letter and incorporated into the next version of the Northern Ireland Grid Code.

Yours sincerely
